

Louisville Metro Council
Neighborhood Development Fund
City Agency Request

By: Tina Ward - Pugh
Councilman/woman

January 30, 2006
Date

Amount: \$ 115.00

For (include public purpose):

A flat lens to be installed on a street
light to correct "spill off". The light
is extremely bright & shines directly into
a resident's bedroom.

Location: Streetlight location: 3316 Richard Ave.
(off Cannon's Ln)

City Agency : Public Works

Contact Person: Mary Braun

Agency Address: 444 S. Fifth St. 4th floor

Agency Phone: 574 - 3101

I have reviewed this request for an expenditure of city tax dollars, and have determined that the funds will be used for a public purpose.

Tina Ward - Pugh

Beyerle, Mary Rose*flat lens request*

From: Hawkins, Robin
Sent: Friday, January 27, 2006 10:39 AM
To: Beyerle, Mary Rose; Braun, Mary
Subject: RE: RE: Streetlight Survey/Frankfort & Mellwood

Mary Braun our Business Specialist should be the contact person because she will be the one handling the paperwork. The address is correct; on the 4th Fl. Mary's no. is 574-3101. Mary, please note I am moving forward to get an invoice from LGE/United Electric. Thanks for your attention to this matter.

Robin,
 Thanks; Tues, 1/31/06, 12:30, in our office on the 3rd floor.

Also, Tina has said yes to the flat lens request. I'll start the paperwork to transfer the NDF money to PW. Will you be the contact person for this? If not, who will be? And is the correct address 444 S. 5th St? What floor and what phone number?

Thank you!!

Robin,
 I did get your phone message yesterday, but it was nuts here yesterday, so I have not returned any calls yet. I'm sorry.

How does Tuesday, 1/31, at 12:30 work for you? Tina has a Planning/Zoning committee meeting that day at 2:00, so she could meet with you here at our office for about 30 - 45 minutes or so. Does that sound okay? We are now on the 3rd floor. If that doesn't work, let me know. We'll go to plan B. Thank you.

Subject: RE: Flat lens request

The Hansen system does not have emailing capabilities, so I've been told. The service req. # 3001580. Further, note a flat lens req. will not be found on the service req. LG&E is suggesting a flat lens as an alternative to this problem. I can inner office you the correspondence from United Electric if you like.

Subject: Flat lens request

Robin,
Regarding the request for the flat lens for Ms. Mary Hester, 3313 Richard Ave - I cannot find this in the Metro Call/MIDAS system. (I'm not always too good at using this system, so it's probably me.) I'm wondering if you can locate the service request # and forward it to me, please? Tina wants to see the Metro Call report before she makes a decision. Thank you very much.

From: Hawkins, Robin**Sent:** Thursday, December 01, 2005 3:14**To:** Beyerle, Mary Rose**Subject:** RE: RE: Flat Lens Req.

Her req. came through Metro Call 11/4/05. Her contact information, 3313 Richard Ave., 574-6932

From: Beyerle, Mary Rose**Sent:** Thursday, December 01, 2005 3:09 PM**To:** Hawkins, Robin**Subject:** RE: RE: Flat Lens Req.

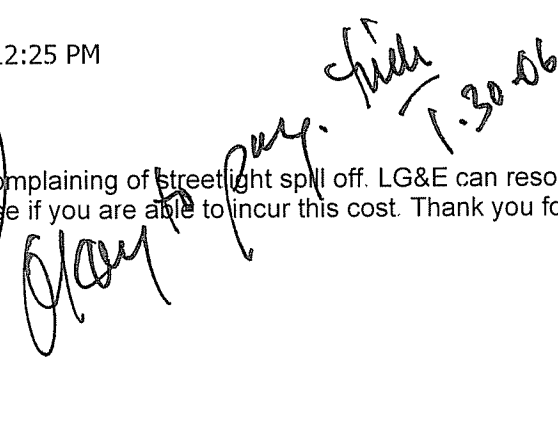

Robin,

I'll need more information than this, please. What is Ms. Hester's address? Phone #? Is there any background information that goes with this, such as has she contacted Metro Call or any other agency? Please let me know; thanks.

From: Hawkins, Robin**Sent:** Thursday, December 01, 2005 12:25 PM**To:** Beyerle, Mary Rose**Subject:** RE: Flat Lens Req.

Please note that Ms. Mary Hester is complaining of street light spill off. LG&E can resolve this matter by installing a flat lens shield one time cost of \$115.00. Please advise if you are able to incur this cost. Thank you for your attention to this matter.

Robin, 2570

The handwritten notes include a large circle around the word 'Please' in the subject line, a signature that appears to be 'Glen', and the phrase 'pay. check' with an arrow pointing to the word 'check'. Below this, the date '1-30-06' is written.
